

R-controlled syllables(-or, -ar)

- When an r comes after the vowel, the bossy r controls the sound of the vowel. The vowel is neither open nor closed.

/or/ as in orbit

/ar/ as in party

Marking r-controlled syllables

- Circle the vowel team
- Put a swoop under the syllable
- Put an r under the swoop because the syllable sound is controlled by the vowel team's sound

orbit
r c

party
