

Unit 2: Digraphs and Blends

Digraphs: -sh, -th, -ck, -wh, -ch

- Digraphs are 2 or 3 consonants that make 1 sound
- They are marked with a single line under all consonants (representing the single sound)

Example:

sh

th

Blends

- Digraphs are 2 or 3 consonants, each makes a sound.
- They are marked with a line under each letter (representing each sound)

Example:

bl

sp
